

Saturday's Benchrest Match - 8-19-2023

Saturday we saw an unusually small turnout on such a beautiful day to shoot benchrest. Most of the time by 7:00am we would have at least 7 or 8 shooters already at the range. On Saturday Dave Roberts & I were the only ones there that early. Dave said that we should shoot 3 classes each and take home all the "gold". By the time to start the match we had 9 shooters. We had a first time shooter (a new PHA member), Yen Nguyen to shoot her first match. Yen shot an impressive score of 249/4X's with her CZ457.

Top shooter Saturday was Marty Foor shooting a Tikka in the light sporter class. Marty shot a score of 250/19X's, only 6 X's short of a perfect score.

This year is quickly coming to an end with only 5 matches left. With hunting season quickly approaching, it would be a good time to work on your marksmanship skills. I guarantee you that, shooting benchrest would be a good way to do this. We have 6 classes from an off-the-shelf rifle to a match rifle. If you have a 22 rifle we have a class for you. Entry fee is only \$5.00 so come out and give us a try. Our next match will be August. 24th, September 15th & 21.

Our Harbor Freight award went to Gary Durham. Gary picked out a nice 20ft. tape measure.
