## PHA Field Target Match September 25, 2021

We had 7 shooters show up for the match. It was a chilly morning but warmed up a little by the time the match ended I would like to thank all the shooters that showed up to make this a successful match.

We shot a 17-lane match and 68 shots.

We have started to replace and upgrade all targets in preparation for the NC State Championships on October 23, 2021. Many of them have been completed with only a few more left to do.

Reminder. You must register for the NC State Championships online. We need to know how many shooters will attend in advance so we can have enough food.
