

## PHA 10/22/22 FIELD TARGET MATCH SCORES

I want to thank all the shooters who came to compete and the members of the PHA gun club who volunteered their time to make this a successful event.

We had four shooters and shot a 16-lane course for 64 points.

The temperature was 50 degrees when we started and went up to 66 degrees by the time we finished, and no breeze, perfect shooting weather.
