

PHA HIGH POWER MATCH RESULTS

24 July 2021

Great weather for our July match. Seven competitors took to the line, with Travis Rushing having a high score of 478-16x. Stephen Tate was a close second and high for the Master class with a 476-13x. Devon Cole was high Expert with a 472-6x. We had a new shooter, Caleb Shaw, shoot his first match and is on the upward side of the learning curve. We look forward to having him compete with us again. Wayne didn't shoot so he could coach his nephew.

Our next match will be Sat, 28 August 2021.

Thank you to all competitors for set up, break down, and helping to run a smooth match.
