

PHA VINTAGE MATCH RESULTS 27 MARCH 2021

PHA had our 3rd Vintage match of 2021 and weather was great. We had 9 competitors with Vintage rifles and/or modern military.

William Lane was High Overall self loading out of 6 with a 280-2x firing an M-1 Garand. Seven bolt rifles were on the line and Devon Cole finished first in that category with a 278-2x. High Modern was Wayne Hemphill with a 283-7x from his match rifle. Andy Askew again came out with a classic- an 1881 Swiss Vetterli in .41 rim fire that he has converted to center fire.

Our next match will be on Sat, 17 April 2021. NRA matches will start with this match. I have attached a copy of the new sign-in and procedures we are using this year as well as the NRA match bulletin for this year.

Randy Randolph asked me to remind people that his match is this coming weekend at Catawba Valley. Contact him direct for questions or info.

Thanks and stay safe,

Wayne and Neil
