

PHA VINTAGE MATCH RESULTS 27 November 2021

The November Vintage Military match started on a chilly day but with plenty of sunshine. Eight people showed up to shoot, and we ran through the course twice as usual. There were four vintage bolt gun entries- 2 of which were Swiss K-31's and 2 were 1903-A3's and three people with M1's, and three entries under modern class. Don Bonney shot his AR-style .22 again for a great score at 200 yards.

Our next Vintage match will be on Sat, 18 December 2021. It looks like there has been enough response that we will have a decent turnout, so it is ON. So, if anyone hasn't committed to coming and would like to shoot this Sat, please feel free to show up.

Range setup is generally everyone's responsibility, so we need the help first thing.

Again, Safety Briefing is MANDATORY and will be 0845.

If you have any questions about the course or weapons, email one of us.

Thanks, and have a great Feb,

Wayne and Neil
