## PHA HIGH POWER MATCH RESULTS 23 June 2022

Our July match was held on 23 July and we had good weather but hot. We finished about 1130 and had everything put up.

William Lane decided he wanted to shoot an 800 match while everyone else shot a 500 aggregate.

Congratulations to Jeff Minder who was our tournament winner again and shot a 483-9. Travis rushing was second with a 471-13.

We had 2 junior shooters compete in this match- Brook and Makayla. They are on their Middle School rifle team shooting small bore, as well as other events. Their team did very well this past year with a table full of trophies to show off. We look forward to their participating at PHA again.

Our next match will be Sat, 23 July.

Thank you to all competitors for set up, break down, and helping to run a smooth match.

Wayne and Neil
