

## PHA HIGH POWER MATCH RESULTS 24 JUNE 2023

PHA's second match for 2023 was held this past Sat, 24 June. We had great weather for it, even though things on the ground were a little wet from the nice rains we've had. The match went so smooth, we were finished by about 1100 or so.

There were 10 competitors, so that gave us a full line. We had one brand new shooter, Yen, who has done some shooting, but this was her first competition and experience in high power. Stan and James joined us for their first match, as well as a few of the others who are getting into high power (or back into after a long time) for the first time. Lawson, our youngest competitor, is learning and doing better all the time.

Travis was the overall winner with a great 494-16x, and Jeff was second with a 486-12x, leaving Elliot as a close third with a 483-10x. Congratulations to all.

Our next match will be Sat, 22 July 2023.

Thank you to all competitors for set up, break down, and helping to run a smooth match. Hope everyone has a great 4<sup>th</sup> of JULY,

Wayne and Neil

Competitor	Score	
Cherry, Lawson	334-0	
Holt, Stan	451-8	
Kirkman, Elliott	483-10	Third
Minder, Jeff	485-6	Second
