

PHA HIGH POWER MATCH RESULTS 28 OCTOBER 2023

PHA's final NRA match for the year was held this past Sat. We had 10 shooters come to the match, but 3 had problems and withdrew from the competition. We ran this as an 80 rd match (800 aggregate) for the first time this year. It was a great day for a rifle match.

William Lane was the overall winner with a 756-17 and Wayne Hemphill was second with a score of 725-9. Lawson Cherry, our junior shooter was one of the guys who had rifle problems and did not have a score for the match.

We will again plan on Vintage matches after the first of the year, and start the NRA matches probably in April or May.

Thank you to all competitors, as always, for set up, break down, and helping to run a great match.

Wayne and Neil

High Power Match Scores
