

PHA HIGH POWER MATCH RESULTS 22 JULY 2023

PHA's July match was held this past Sat, 22 July. The weather was a little cooler but lots of humidity and the sun stayed behind the clouds for the match. Things went smoothly and we again finished at 1100 or so.

There were 10 competitors, so that gave us a full line. Several competitors are still in their first few matches and going upwards.

Will Lane was the overall winner with a 471-11 and Stephen Tate was second with a 461-11, leaving Stan Holt as a close third with a 456-6. Congratulations to all.

Our next match will be Sat, 26 August 2023.

Thank you to all competitors, as always, for set up, break down, and helping to run a great match and being able to finish up before lunch time.
