

PHA VINTAGE MATCH RESULTS 27 Jan 2024

Our first Vintage Military match was held on an overcast (threatening rain but didn't) day. Nine competitors showed up to shoot and we ran through the course twice as we normally do. There were nine scores with M1's, a 96 Swedish, and an 03A3. Four guys shot modern rifles for a total of 5 matches. One of our competitors had to withdraw due to a physical problem. James Huges came to shoot with us as a first time PHA and match competitor, and had some trouble in the first match with his rifle. He stuck around and used a borrowed M1 for the next match and did pretty good for a first timer.

Our next Vintage match will be on Sat, 24 Feb 2024.

Range setup is everyone's responsibility, so we need the help first thing.

Again Safety Briefing is MANDATORY and will be held at 0845.

If you have any questions about the course or weapons, email one of us.

Thanks and have a great February until the match,

Wayne and Neil
